StarTech.com

Spec Sheet

The StarTech.com **Advantage:**

Support and Resources: Single point of contact for all your questions; exclusive online tools and free live technical support

Save Time Sourcing: A complete selection of high-demand and hard-to-find products from one vendor

Best Value: StarTech.com products offer the best combination of features and price

Exclusive Resources: Complete product information and tools available at www.startech.com

DVI over Cat5 / UTP Extender

StarTech ID: ST121UTPDVI

Extend a DVI-Digital signal over Category 5e (CAT5e) cabling at distances up to 50m / 150ft from one source to one display. The Converge A/V ST121UTPDVI is a cost-effective, simple to use and compact DVI extender. Supports resolutions up to 1600x1200.

Perfect for any small point to point digital signage application. Allow Converge A/V to help you complete your digital signage connectivity needs.

Applications and Solutions

> Place the display in a convenient viewing area, while the system equipment is placed elsewhere in a clean and secure enviro
> Ideal for digital signage applications in financial, educational, business and reatial/POS sectors

Features

> Consists of 1 local unit, and 1 remote unit for an all-in-one solution
> Supports DVI-D interface
> Supports resolutions up 1600x1200 @ 60Hz
> Uses standard Category 5e twisted-pair cable for economical and reliable data transmission
